

Class Descriptions

Recommended for All Levels

Basic/Beginners: For those new to yoga or those who just want a more gentle class. Explore the fundamentals of yoga as you learn how to breathe and move deeply from within. All levels.

Gentle Yoga: A perfect blend of breath, movement, stretch and a chance to let go and relax. A peaceful, inviting class designed for anyone looking for a slower paced practice. Focus is on body awareness, linking mindful breathing with simple movements. All levels.

Slow Flow: Still challenging but slower flowing with fewer postures than a regular Vinyasa flow class, more emphasis on alignment, breath and the foundations tools of a yoga practice. All levels.

Yoga/Pilates Fusion: A dynamic blend of Yoga with Pilates core work. Follow your breath with this flowing approach designed to increase strength and flexibility, improve posture, reduce stress and transform your body. All levels.

Yoga & Tai Chi: Nurture your body, mind, spirit and breath with the "moving meditation" benefits of Tai Chi and Qi Gong harmonizing with yoga. Flowing poses and forms combined with breathing emphasize concentration, relaxation and conscious circulation of vital energy (qi) throughout the body to cultivate inner strength and outer flexibility. This class is appropriate for all levels.

Mixed Levels: Practice developing balance, flexibility and strength with students of all levels. Modifications on poses are offered for varying levels.

Chair Yoga: Are you recovering an injury that may limit your mobility, do you have a disability but still need to keep your body and mind active, or are you a senior citizen looking to keep your body in the best condition possible. You can perform most yoga postures, breathing techniques, meditation, and relaxation techniques from a chair. All levels.

Please honor our policies. Thank you!*

Vinyasa Flow: A dynamic flowing form of yoga, linking body movements with the breath. This class weaves a series of yoga postures through traditional Sun Salutations along with standing postures, backbends, inversions and twists. This invigorating heated flow will warm the body; ease the mind of stress while improving strength and flexibility. Intermediate to advanced.

Yin yoga features seated and reclining poses, which when held passively for 1-3 minutes, target the connective tissue of the hips pelvis, and lower spine. Classes will begin with a warming Vinyasa sequence of sun salutes and standing poses, and will end with a gentle yin sequence. Intermediate level.
